Selected answers to some stupid questions

- YES,
 - whatever you see in lectures before the mid-term exam are included in the mid-term exam.
 - whatever you see in lectures before the excuse exam are included in the excuse exam and this exam may be harder than or similar to the mid-term exam.
 - all contents are included in the final exam.
 - all contents are also included in the resit exam and this exam may be harder than or similar to the final exam.
- NO,
 - I will NOT give 1 point extra to you. You will take which grade you deserve.

Thanks
